

## CITY OF FORT LAUDERDALE | TRANSPORTATION AWARDS

The Transportation and Mobility Department's Transportation Awards recognize the contributions community members make to help the City achieve its goal of being a safe, connected, multimodal, and sustainable community. Three awards – Neighbor Champion, Leading Neighborhood, and Livable Community Builder – will be given for innovation, advocacy, and excellence in transportation projects, programs, or efforts. The winners will be announced at the 5th Annual Transportation Summit on May 18, 2016.

To submit a nomination, please complete the Transportation Awards nomination form and email it to Juan Rodriguez at [juanro@fortlauderdale.gov](mailto:juanro@fortlauderdale.gov) by 5 p.m. on Wednesday, May 4, 2016. For information about the 5th Annual Transportation Summit, please visit [www.fortlauderdale.gov/tamevents](http://www.fortlauderdale.gov/tamevents).

### AWARD GUIDELINES AND INSTRUCTIONS

- Applicants may submit one nomination per category. A separate nomination form is required for each submittal.
- Award narratives may be no more than 750 words and must be typed, double-spaced, on 8 ½" x 11" white paper.
- Applicants may submit up to four (4) pages of supporting materials (i.e., newspaper clippings, photographs, letters, or other items) that document the nominee's project and/or effort. Supplemental documents must be submitted on 8 ½" x 11" paper, one-sided only. Please include the applicant's name on each page. Videotapes, DVDs, CDs, or PowerPoint presentations will not be accepted.
- Incomplete nomination forms will not be considered.

### AWARD CRITERIA

The following criteria will assist you with completing the award narrative. Please incorporate this information into the award narrative, where applicable.

- **Description** – Please state why you are nominating this individual, neighborhood, or organization for an award. Please include specific details about the transportation project, program, or effort.
- **Innovation** – How was the nominee's project, program, or effort innovative and creative? Describe how "green" or sustainable approaches were considered?  
**For the Livable Community Builder Award only:** What did the nominee do to go above and beyond the minimum multimodal requirements in the residential or commercial development?
- **Impact** – How did the nominee effectively improve mobility, connectivity, and/or safety through this transportation project? Please describe any sustainability benefits that may have resulted from this improvement?
- **Collaboration** – How did the nominee work with other organizations, communities, or individuals to implement or advocate for the project?  
**For Livable Community Builder Award only:** How did the nominee work with other organizations, communities, or individuals to incorporate the multimodal improvements into the residential or commercial development design?

For all categories, please include the names of individuals/organizations worked with, where applicable.

- **Inspiration** – How can the nominee's efforts be replicated in other projects or causes within the City?

**Award Category** – Please select the category this nomination is for. You may select only one category per submission.

**Neighbor Champion Award** - This award will be given to a Fort Lauderdale resident for his/her efforts to promote safer and connected streets through initiating, implementing, or advocating for a transportation project, program, or effort. Examples can include infrastructure improvement projects, efforts encouraging the use of different transportation modes, safety projects, etc.

**Leading Neighborhood Award** - This award will be given to a Fort Lauderdale neighborhood for its efforts to collectively promote safer and connected streets through initiating, implementing, or advocating for a transportation project, program, or effort. Examples can include infrastructure improvement projects, efforts encouraging the use of different transportation modes, traffic calming projects, safety projects, etc.

**Livable Community Builder Award** - This award will be given to an individual or organization that has built or contributed to a residential or commercial development that achieves the City's vision of a safe, connected, multimodal community. Examples can include adding bike facilities, transit facilities, pedestrian amenities, etc.
